LC Lounge Printer | Fountain Campus

Instructions on how to install the **LC Lounge Printer** driver, and print from your personal Mac computer, running macOS Ventura.

Add the Printer

3

Open System Settings from your Dock or Applications Folder.

Scroll down the list and select: 📄 Printers & Scanners

But first, make sure you're connected to the internet before proceeding to the next steps. If using Wi-Fi, only connect to **eduroam** for printing.
